ELITE STRAIGHT STAIRLIFT

COMBINE QUALITY, COMFORT & STYLE

Gain high performance, modern styling and heavy lift capacity with Bruno's top-of-the line Elite straight stairlift. Glide up and down your stairs with a gentle, smooth ride from start to finish. Make your life a little easier with a Bruno Elite, featuring Made-In-America quality and maximum comfort.

The Bruno Elite's Limited Lifetime Warranty gives you the peace of mind to enjoy worry-free access to your entire home long into the future.

3 TOP CONSIDERATIONS

- ✓ Made in the USA Quality
- ✓ 400 lb. (181kg) Lift Capacity
- ✓ Limited Lifetime Warranty

HIGH-PERFORMANCE. EXCEPTIONAL RIDE.

Easy. Armrest control operates the stairlift up and down. Two wireless remote controls are also included.

Safe. Seat swivels 90° at top of steps and locks in place for safe exit away from stairs. Seat belt and obstruction sensors further ensure safety.

Comfortable. Generously sized seat is adjustable in height. Footrest height and space between armrests are also adjustable.

Space-Saving. Vertical rail leaves maximum open space on the steps. Fold arms, seat and footrest when not in use to save even more space.

Sleek. Covered gear rack on vertical rail gives a slim, clean appearance and reduces exposure to dirt and grease.

Dependable. Battery-powered performance, even during a power outage. Stairlift continually charges anywhere it stops on the rail.

Verified Customer
“Our Bruno stairlift experience was first class. From the initial contact, to the prompt well-done installation to the smooth operation, it was a +++ experience.”
Ralph L.

AVAILABLE OPTIONS

Add a manual or power folding rail when you have a doorway at the bottom of the stairs or an installation where the rail may cause an obstruction.

Get an extra-wide seat and/or larger footrest to best match specific body types.

Eliminate the need to lean over with a power folding footrest. Fold the seat, and the footrest will automatically fold, too. Change the standard swivel seat to power, and the seat rotates nearly 90 degrees at the top landing with a push of the control.

Request a four-point harness for additional securement points on the chair.

Multiple seat color options also available.

Not all options are shown.

Verified Customer

"My Bruno stairlift allows me to remain in my home and increases my independence. I love it."

Patricia S.
