HIGH-PERFORMANCE RELIABILITY

Custom. Handcrafted vertical rail maximizes open space by precisely following every angle and serving as the foundation for an ultra-smooth ride.

Easy-to-Use. Sit down, clip belt and press armrest control to glide up/down stairs. Wireless control also comes standard.

Weather-Resistant. Marine-grade vinyl, durable outdoor paint and lightweight waterproof cover provide year-round protection.

Safe. Seat swivels up to 90° at top landing for safe exit away from stairs. Retractable seat belt and safety sensors further peace of mind.

Comfortable. Generously sized seat is adjustable in height. Footrest height and space between armrests are also adjustable.

Dependable. Battery-powered operation ensures performance, even in the event of a power outage.
