

Luxury standards, unlimited options

Create your own personal elevator from our wide selection of options. Choose from a range of cab styles and sizes, then select your finishes to complement and complete your solution. You can even have your own contractor finish your elevator on site.

Elevator Cab Interiors

Your options include finished hardwood or unfinished veneer cabs in traditional species including oak, cherry and maple. We also offer scratch and fade-resistant luxury MDF panels in a variety of colors and finishes. Our standard elevator includes your choice of melamine or unfinished MDF, and white ceiling with four LED pot lights.

From automatic sliding doors to traditional gates...

Automatic Slim Doors

Add convenience and an elegant, modern appearance to your Savaria home elevator with automatic slim doors. These commercial-grade doors can be used as a complete system, or in combination with a swing-style landing door. Finish in stainless steel, powder coated paint, or framed glass.

Bifold Doors

A simple, automatic solution for cab doors. Select from architectural white or stainless steel.

Accordion Gates

Featuring a sturdy hard hinge to prevent deflection, accordion gates tuck discretely away to leave an unobstructed entry. Choose from a wide selection of panel colors and frame finishes. Add an automatic opener for convenience and ease of use.

choose from the widest range on the market to finish your home elevator perfectly.
